Ferial Haddad

Health and Physical Education
and International Councilor

Jordan

- **Jordan** officially the **Hashemite Kingdom of Jordan,** is an Arab country, Amman is the capital and its a relatively-small country.

- Jordan is classified as a country of "high human development" with an "upper middle income" economy. The Jordanian economy is one of the smallest economies in the region.

- The country is a major tourist destination

Wadi Rum

Dead Sea

Our Founder

- La Salle Amman is a member of the **Lasallian** family all around the world.

- Our founder John Baptist de La Salle was born in 1651 in France.

- He was the first son of wealthy parents living in France over 350 years ago.

- At that time a few people lived in luxury, but most of the people were extremely poor.

- He determined to put his own talents and advanced education at the service of the children.

- so he formed the community that became known as the **Brothers of the Christian Schools**

De La Salle College - Amman

- The foundation of the school in Amman was initiated by the Alumni of De la Salle schools in Jerusalem, Jaffa and Haifa in 1948

- The Brothers studied the situation and did the necessary advance with the government and King Abdallah 1st encouraged them.

- The Brothers rented a house in 1950 on Jabal Amman to start with.

- This was the beginning of this new campus on Jabal Al-Hussein in 1950.

- In 2009, Mr. Gabi Ghazzawi was appointed as first lay director of the school.

- Mr. Ghazzawi his mission is to introduce several education programs into the school; such as CP, IG, MYP, PYP, DP, IB, SAT.
